

PROUDLY SUPPORTING

Founded in 2001, the Asylum Seeker Resource Centre (ASRC) is Australia's largest human rights organisation providing support to people seeking asylum.

They deliver holistic programs that protect people seeking asylum from persecution and destitution, support well-being and dignity, and empower people to advance their own future.

To stay independent they don't accept funding from the Federal Government. Donations and monies raised from fundraising activities are vital.

ASRC Services include:

Housing

- Housing support for those experiencing or at risk of homelessness.

Human Rights Law Program

- Free legal advice and assistance.
- Legal support at all stages of the refugee determination process.

Healthcare

- Health Clinic for people who do not have Medicare access.
- Access to pharmacy and allied health services.

Foodbank

- Access to culturally appropriate, nutritious food and other essential items in a welcoming and social environment.
